CONSULTANCY SOLUTIONS

Shortlisting Process

If needed, a complete search for the candidates for your vacancy will be done by us. We also arrange the interview procedure and prequalify them. We have industry specialists and HR consultants who are highly able to evaluate the candidate on dual criteria of professional knowledge.

Selection Process

Apart from identifying the most suitable candidate for the job, we also guide you in all steps of the selection process.

Post Selection Orientation And Transportation

After the selection of the candidate, the orientation program associated with profile, code of conduct, labor laws of the country employment, etc. is arranged by us. We are also responsible for the travelling arrangements that include medical checkup, visa assistance, etc.

High Quality And Affordable Services

We are able to provide you a list of qualified candidates quickly. With our highly experienced recruiters and developed recruiting technology, we make it possible for you to meet your requirement by paying lesser than the average market price.

EMPLOYER PARTS

Demand Letter

We require a demand letter from the employer in favor of Bose Design Services, mentioning the job categories, number of staff required in each category, salary, duration of the contract and other facilities for the staff like food, transport, medical, accommodation, etc.

Letter Of Authority

We will also require a letter of authority in our favor from the employer and it should also be addressed to the consulate general of the concerned embassy in India. It should be mentioned in the letter that "Bose Design Services is your bonfire manpower recruiting agent completely authorized to deal with all the visa matters, submissions and delivery".

Agreement Of Employment

The employment is a standard employment contract between the employer and the employee.
